

Product Catalog

A world class profession mechanical manufacturing company

- Laptop Cooling Pad

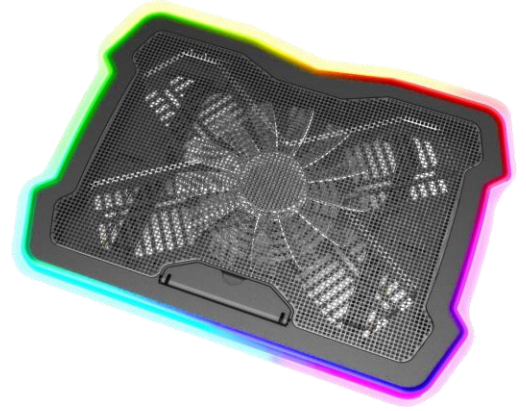

Laptop Cooling Pad List

<p>FKHY-CF-6547-A(RGB)/FKHY-CF-6547-C(W/O LED)</p> 	<p>FKHY-CF-6549-A(RGB)/FKHY-CF-6549-N(W/O LED)</p> 
<p>Dimension : 400x340x60mm(L×W×H) For 10'' ~ 17'' laptop use</p>	<p>Dimension : 428x318x54mm(L×W×H) For 10'' ~ 17'' laptop use</p>
<p>FKHY-CF6667(Blue LED)/FKHY-CF6667-N(W/O LED)</p> 	<p>FKHY-CF6540(W/O LED)</p> 
<p>Dimension : 160~250x320x32mm(L×W×H) For 10'' ~ 17'' laptop use</p>	<p>Dimension : 390x290x29.5mm(L×W×H) For 12'' ~ 19'' laptop use</p>

FKHY-CF-6547-A(RGB) /FKHY-CF-6547-C(W/O LED) Introduction

FKHY-CF-6547-A(RGB)

Key Features:

- Fan speed / Light mode control / Color mode control
- Patent design of adjustable angles with 3 heights
- Built-in 20 cm big fan for excellent cooling
- With dual dedicated control buttons, you can easily change lighting effects on color
- FKHY-CF-6547-A only:

Surrounding RGB LED light enhances virtual reality of gaming.
Adjustable RGB LED light modes :
Wave(Rainbow) > RGB Spectrum(Rainbow) > Pulse(Rainbow) > Blink(Blue) > Full Lighted(Green) > Render(Purple/Green) > Off

FKHY-CF-6547-C(W/O LED)

Product Specification:

- Dimensions : L400*W340*H60 (mm)
- Material : Plastic + Iron Mesh
- Description : For 10" ~ 17" laptop use
- Power Cord Type : USB cable
- Fan Dimension : L200*W200*H18 (mm)
- Fan Speed:750 ± 10% RPM
- Voltage Rating:5V DC
- Noise Level:23 ~ 30 dBA

FKHY-CF-6549-A(RGB) FKHY-CF-6549-N (W/O LED) Introduction

FKHY-CF-6549-A

FKHY-CF-6549-N

Key Features:

- Fan speed / Light mode control
- Patent design of adjustable angles with 5 heights
- Built-in 20cm big fan for excellent cooling
- Rubber stand design to keep laptop be stable
- With rubber design to keep laptop stable
- Two smartphone stands can set up on both side
- FKHY-CF-6549-A only:

Surrounding RGB LED light enhances virtual reality of gaming

Adjustable RGB LED light modes :

Wave(Rainbow) > RGB Spectrum(Rainbow) > Pulse(Rainbow) > Blink(Blue) > Full Lighted(Green) > Render(Purple/Green) > Off

Product Specification :

- Dimensions : L428*W318*H54(mm)
- Material : Plastic + Iron Mesh
- Description : For 10" ~ 17" laptop use
- Power Cord Type : USB cable
- Fan Dimension : L200*W200*H18 (mm)
- Fan Speed:750 ± 10% RPM
- Voltage Rating:5V DC
- Noise Level:23 ~ 30 dBA

FKHY-CF-6667(Blue LED) /FKHY-CF-6667-N (W/O LED) Introduction

Key Features:

- World's first patented design with extensible construction for portable cooling solution.
- Small size and easy to carry
- Rotating structure can be used in vertically or horizontally way.
- 3 height adjustable angles to suit user preference.
- NB holder in the middle will not interfere typing.
- Special cooling knobs design to increase stability and increase airflow for better heat dissipation.
- USB Port Extender for connecting an additional USB device.
- Multi-application: Laptop cooler/Desktop fan/ keyboard and finger cooler

Product Specification:

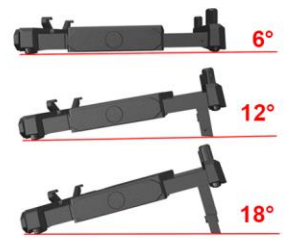

- Dimensions : L160-250*W330*H32(mm)
- Material : Plastic + Iron Mesh
- Description : For 10" ~ 17" laptop use
- IO Port:1 *USB A ,1* Type C
- Power Cord Type : USB cable
- Fan Dimension : L80*W80*H15(mm)
- Fan Speed:0-3000RPM
- Voltage Rating:5V DC
- Noise Level:0~40dBA
- Product weight:0.46kg

FKHY-CF-6667(Blue LED) /FKHY-CF-6667-N (W/O LED) Introduction

Rotating stands

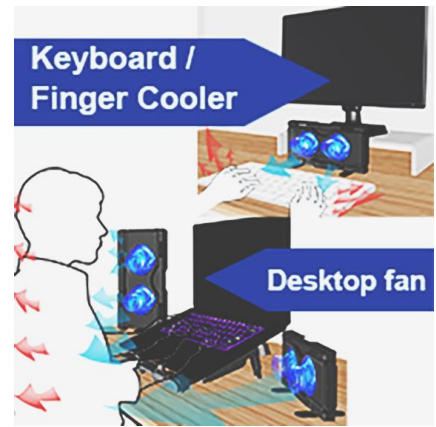

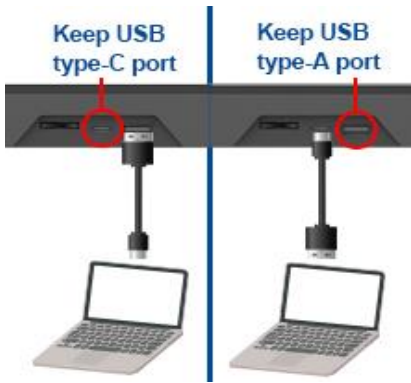

Adjustable Angles

Strong Airflow

Cover up to 40 inches

FKHY-CF-6540 Introduction

Key Features:

1. Laptop Cooling Pad for 12" - 19" Notebook.
2. Super 20 cm big fan for cooling down the temperature of laptop.
3. Front anti-slip holders to keep your device in place.
4. 4 different typing angle adjustable for height setting.
5. Adjustable knobs design for typing angle and better airflow for better

Product Specification:

- Dimensions : L390*W290*H29.5(mm)
- Material : Plastic
- Description : For 12" ~ 19" laptop use
- Power Cord Type : USB cable
- Fan Dimension : L200*W200*H20 (mm)
- Fan Speed:Normal 600± 10% RPM,Turbo 750± 10% RPM
- Voltage Rating:5V DC
- Noise Level:25~30dBA
